MADER STARS SHINING BRIGHTER THAN EVER

From 1999 on with a new designed double bottom for a better draining of the boat and with a new designed deck including a deeper seated track for the boom vang and a deepening formed in the side deck for the cleats for the control lines.

Should appear any questions concernig our new boats don't hesitate contacting us by phone, fax, e-mail or open our internet home-page www.bootswerft-mader.de
